

Art Gala/Auction

The Joslyn Snow Memorial Project committee is excited to announce they will be hosting an Art Gala/Auction on **October 12, 2018**.

We are actively seeking donated art pieces from artists all over the province.

Examples of art pieces we are looking for are; paintings, metal art, woodwork, quilts, and pottery to name a few

but we are open to other donated art pieces as well.

We have partnered with Bentley School to have each of their classes create a classroom art project that will include individual art pieces to create one overall masterpiece.

We are excited to showcase the talented artists entries and even more excited to auction them off to the highest bidder to support our memorial playground.

If you have any questions or art to donate please contact the school at 403-748-3770. The sooner we know what pieces of art are being donated the more we can highlight the pieces of art for the Gala/Auction. We will be accepting art until Sept. 27, 2018
