1. Committee reviewed all three proposals and voted on BDI/Blue Imp as the creation and implementation of the Joslyn Snow Memorial Project. Steve will contact all three companies and thank them for their proposals and notify BDI of our selection.

A day later, new information came to the committee's attention in regards to BDI and a decision was made by the committee to proceed with our second choice, Play Quest on the design and implementation of our project.

2. Easter Chocolate Fundraiser: Oodles Chocolate from Lacombe has offered to join in our fundraising efforts. Order forms will be distributed and sent home with students on March 5th and deadline to return forms is March 13th. Order pick up will be March 21st & 22nd during parent-teacher interviews. The committee will make 30% on what was sold.
3. Old Fashion Fair: The Guardians of the Children has partnered and will assist in creating games, running stations, cooking food - whatever we need to make this a successful fundraiser.
4. Art Auction: Chantel Matishak created a powerpoint on art projects teachers can create with their classes. This powerpoint will be shared with staff. The art auction will take place in the fall (date TBA). All art work done by students needs to be completed by the end of June. Will rent the hall, obtain a liquor license and advertise for local artists to donate work for the auction.
5. Other fundraising ideas: Bring your grandparent to school. Grandparent day is Sept 9th. Grandparents could "live" a day as a student in 2018 - activities and lunch could be provided. Suggestion was made to link grandparents within our community with students that do not have grandparents living close.

6. Advertising: Advertise fundraising events in Lacombe County News, Neighbourhood Notes, Rimbey Review and Lacombe Globe.
7. Next meeting: Tuesday, April 4th @ 7pm in the learning floor.
