

Help us Build a Playground....

In Memory of Joslyn Snow <https://bentley.wolfcreek.ab.ca/playground-fundraiser>

Fundraising Total Update....
\$172,500

Canada Day Celebrations

The Playground Fundraising Committee will be hosting a booth at the Canada Day celebrations on July 1 in the parking lot of the town office during evening celebrations. Sponsorship packages will be available and smilelikejos bracelets will be for sale. We will also have a couple raffle items; Lacombe Corn Maze passes and a beach basket.

Bentley Rodeo

The Playground Fundraising Committee will be working the Bentley Rodeo August 10 and 11th supporting this events beverage stand and overall security of the event. The Bentley Rodeo is also donating all proceeds from the saddle raffle to our playground fundraiser.

Irish Cup Golf Tournament

The Joslyn Snow Memorial Project Committee has partnered with Gull Lake Golf Course in support of their 26th Annual Irish Cup Golf Tournament August 10th and 11th, 2018. Gull Lake Golf Course will be donating 75% of the net silent auction proceeds to the Joslyn Snow Memorial Project and the other 25% to the Junior Golf Foundation of Gull Lake. This foundation provides scholarships to past junior golf members for post-secondary education. Our committee is actively seeking silent auction items for this great event to support both of these great causes.

You Got Flushed

During the month of July our committee has put together a fun way to highlight our project and also raise some money for the project. The Cole's notes version is a toilet ends up on a lawn and you pay to get it removed. Not just any toilet but a bedazzled toilet. Here is the costs to remove;

\$20 - a trained technician will remove the toilet

\$40 - a trained technician will remove the toilet and send it to a friend

\$60 - Toilet Insurance (all of the above and it will never come back to your lawn again)

Bottle Drive

The 2018/19 Grade 12 class will be holding a bottle drive after the long weekend to donate on behalf of their class to the Joslyn Snow Memorial Project. We ask that all families please save their bottles over the summer to donate to this class. A drop off trailer will be made available at the school and students will be going around do a collection as well. More details will be provided end of August.

Art Gala/Auction – October 12

We are still actively seeking art pieces from artists to show and auction off at our art gala. Some examples of art we are accepting are paintings, pottery, woodwork, and quilts to name a few ideas but if you have other creative products please feel free to contact the school to inquire about donating. We have about 50 art pieces already committed to this event and more details will be available in September.
