

# 2019 Spring Field Trips

We have a number of spring field trips coming up. We are required to have parents pay for any costs associated with these trips, including busing. In order to simplify things for you we have included all of the field trip costs on one form. Payments must be made online **before the first trip**.

**Online payment will be open from April 1-18**

Any outstanding school fees will also need to be paid **before** your child attends any field trips. If you have any outstanding fees **there will be a notice attached to this note**. **If there is a problem with payment, please contact Mrs. Lush at 403-748-3770 before April 18.**

We are also required to have signed parent permission forms for each field trip, so for your convenience these are also included with this notice. We will need a number of parent volunteers along for each field trip and will be sending home a sign-up sheet in the future.
