POINTS:

- For J pool play, points will be awarded upon the completion of each game (4 points for a win, 2 points for each tie, 1 point for each end scored, 0 points for a blank end and 1 point for a loss). Coaches will be responsible for submitting score cards.
- If there is a tie, as a result of total points, it will be broken by a shoot out. Each player will throw 1 rock, with sweeping; points will be given depending on where the rock stops in the house. 1 point if touching the 12 foot, 2 points if touching the 8 foot, 3 points if touching the 4 foot, and 4 points if touching the button. If the teams are still tied, they will then throw skip's rocks, with sweeping. If neither skip's rock ends up in the house, then the thirds will throw and so on.
- For JJ/JJJ play, the posted draw will be followed, with each game 4 ends in length. Ties after 4 ends will result in an extra end of play.
