

At-Home Learning Access Tutorial

1) Access the school website (<https://bentley.wolfcreek.ab.ca/>)

2) Click on “At Home Learning Centre” link on the left side of the website

3) Scroll down to the high school section.

High School (Gr. 9 - 12)

Week at a Glance Schedule

Use this link to access your schedule.

Archived Lessons

Use this link to access archived lessons.

4) The “Week at a Glance” will have the work (for each teacher) for that particular week.

→ Students are able to work on this material whenever they wish during the week.

5) All video conferencing meetings and previous weekly schedules will be posted in “Archived Lessons.”

→ **Students who are unable to attend a video conferencing session will be able to access that session here. (*Note* Watching a video of the session will use less data than attending the session.)**

WEEK AT A GLANCE SCHEDULE

** This has two parts -- the weekly work schedule and the weekly video conferencing schedule. **

Part 1 - Weekly Work Schedule

March 30 - April 3 Gr 9-12 Weekly Schedule

The work your teacher would like you to work on for the week will be posted here (with any relevant links).

Again, students can work on this material whenever they wish during the week.

Weekly Overview

teachers with questions anytime. The “open office times” will just be times when teachers will specifically be at their desks with the video conferencing open.)

Google Meet Guidelines

- Are located in a link in the top corner of the “Video Conferencing Schedule”
- **Please make sure you review the expectations for these meetings**

OFFICE HOUR/GOOGLE MEET GUIDELINES

These guidelines are created so that all students will have the opportunity to ask questions with assignments, participate in specific lessons, seek clarifications on assigned problems, as well as receive feedback on learning.

If you require any help or have questions, please email your teacher.
