Bronze Match

Thank you for attending the Bentley Panthers SUBWAY Volleyball Classic Tournament.

1. Teams may not warm up behind the other team hitting during warm up. They must wait for the other team to finish hitting and serving and then do the same thing.
2. Players have to go around the net after hitting the ball. They must not go under the net. It works best if you have someone shagging the ball on the other side and reminding players to go around the net.
3. Parent Drivers are allowed in our building as long as they are masked. We tried to limit only 3 drivers per school. No siblings or special guests.
4. No switching of benches. You will stay at your own bench for the whole match.
5. Linesman will need to be provided for each team on their side of the court. Please go over how to do lines this week.

6. When games are over and the weather is nice, we are asking teams and drivers to visit the beautiful downtown Bentley or play on our sports court, GaGa pit outside. We have Piccolo's pizza, Last Griffin Donairs and Burgers, Monkey Top, Subway, Last Drop coffee shop.

Thank you for cooperating with all these new regulations. I hope to see you all this Saturday.
