

4-H Alberta inspires, educates, and develops outstanding rural and urban youth, future leaders, and engaged citizens. Supporting ambitious youth who pursue higher education through scholarships is a big part of 4-H Alberta's commitment to youth. We are recognized as the most impactful youth leadership organization in Alberta.

The Elmer and Ona Hansen Memorial Scholarship is open to all Alberta rural youth and is designed to help rural farm youth who must leave home to pursue a post-secondary education or trade. The following scholarship amounts will be awarded in 2022:

- One scholarship: \$20,000
- One scholarship: \$15,000
- One scholarship: \$10,000
- Seven (7) scholarships at \$5,000 each

This scholarship **may or may not** be applicable to the students at your school, however, we wanted to ensure the opportunity was communicated to as many eligible students as possible. Please note a rural farm youth is defined as a youth who has lived on a farm in Alberta for the majority of their life and the farm is the primary source of family income. These scholarships are designed for youth who may not have the opportunity to attend post-secondary without financial support.

If you know of students living in rural areas who plan to leave home and pursue post-secondary education, we hope you will pass this information along so that they do not miss out on these exceptional scholarship opportunities.
