Our Program

- **Certified Teachers** – Experienced educators lead engaging, child-centered learning.
- **Half-Day Programming** – Choose from two mornings per week.
- **Purposeful Play** – Hands-on, play-based learning to enhance literacy, creativity, and cognitive growth.
- **Small Class Sizes** – Personalized attention in an enriching, family-oriented environment.
- **Comprehensive Support** – Access to multi-disciplinary services including speech language pathology, occupational and physical therapy, psychology, and community partnerships.
- **Tailored Support** – Individual Support Plans are developed collaboratively with parents, ensuring each child's unique needs are met.
- **Skill Development** – Programs focus on communication, social-emotional growth, motor skills, independence, and problem-solving.
- **Sense of Belonging** – Children thrive in a nurturing space that fosters well-being and connection.

BFPA is right for your child

Children served by early years programming at **Bright Futures Play Academy** will have the opportunity:
to **acquire, create, connect, and communicate** through experiential learning and **purposeful, balanced play**, focused on experiencing multiple literacies through **rich inclusive learning** environments.
