

Wolf Creek “A” Basketball Schedule – 2023/2024

*It is assumed that all game times are tip-off times. Teams will arrive early enough to allow for a warm up before their scheduled tip-off time.

***Weeks 1-3 girls play first, weeks 4-6 boys play first. Communicate with the other coach regarding start times.**

*If you need to change game times/dates, please communicate with coaches to make these changes. Some teams may wish to do so if they play away twice in a week. We tried to minimize the number of games in December without overloading the rest of the season.

*BOTH Schools are responsible for submitting the scores

ALL SCORES ARE EMAILED TO: landan.stones@wolfcreek.ab.ca

ADDITIONAL NOTES: Every team should have 3 home games and 3 away games. The league is split into an East pool and a West pool. The West pool has more boys than girls teams, so each girls team will play an extra game on the last Tuesday to get 6 games in. In the East pool, each team will play one other team twice.

ELJHS = Lacombe Junior, LCS = Lacombe Christian, PSC = Ponoka Secondary, IRJC = Iron Ridge (Blackfalds), CHCS = College Heights Christian School
